Dear Prospective FSC Donor:

We appreciate your consideration of becoming a corporate sponsor of the Folsom Softball Club, a Nonprofit Public Benefit Corporation, and home to the Folsom Freedom fast pitch softball teams. We are a competitive softball organization focused on developing girls fast pitch softball players, at multiple age levels, from the greater Folsom community. It is our hope that our players will continue in the sport of women's fast pitch softball at the high school and college levels. Our players travel to various locations around the state of California throughout the spring, summer and fall seasons to participate in competitive softball tournaments. Participation in these tournaments is costly.

The members of the FSC work hard during the season to raise money to help offset these costs. One way we do this is by educating businesses in the Folsom and surrounding area about our organization and encouraging them to partner with us in developing opportunities for competitive youth fast pitch players in our community. We hope you will partner with us and consider a corporate sponsorship at one of the following levels.
